**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a local internet provider and I am so happy with this choice. I call them on a the phone and 90% of the time a real person answers. When they don't, I leave a message and they call me back promptly. The service is great and they recently installed fiber. My friends who are stuck using the big companies have many complaints and often switch from one to the other. Please preserve the option of broadband competition for consumers!

Thank You
